**Going to get up in the Morning and write me down a song**

**Tacet** **G** **C** **G**
Going to get up in the morning and write me down a song
**D**
Sing it in the evening sing it all day long.
**Em** **C**
Going to sing it for tomorrow, going to sing it for the child.
**G** **D** **G**
I'll sing it for the woman, love denied

1)
**G** **C** **G**
There's a moment in the madness when the beat goes down
**D**
And the tune goes spinning turned upside down.
**Em** **C**
That's when I need your hand in mine
**G** **D** **G**
To pull this old tune right back in time

Chorus

2)

There's a woman on a corner with her love for sale
She's only treading water like she' bending in a gale.
I whisper in her ear, it's not the same
Whistle up a new tune, start again.

Chorus

Repeat 1st verse
