

Dead and Gone

G C G C
 It's not about the money, or the car you drive
G Em Am D
 It's not about the place you own, or the fancy food that keeps you alive
G C G C
 It's all about the magic this music brings
G Em C D
 And boys the secret is in knowing when it's time to sing

Chorus:

G Am C D
 And one day soon I'll be dead and I'll be x3
G Am C D
 Gone

2)

Do it for tomorrow, it's all about the past
 And boys you're going to have to do your bit
 Just to make this music last.
 You'll never be rich or famous, and some people will laugh
 But boys the beauty of this music is you get the last laugh

Chorus

3)

And when you're both older I hope you still play your guitars
 I hope you get to spend some time in the backroom of a smoky bar.
 And if you have your own kids you tell them this
 We don't own this music, boys we're just hiring it

Chorus
